

Introduction

The 8th Asia Conference on Earthquake Engineering (8ACEE) will be held in Taipei, Taiwan, ROC, during the period November 9-11, 2022, with the theme "Earthquake-Resilient and Sustainable Communities." 8ACEE is being jointly organized by the National Center for Research on Earthquake Engineering (NCREE), the Chinese Society of Structural Engineering (CSSE), the Chinese Taiwan Society for Earthquake Engineering (CTSEE), the Chinese Institute of Civil and Hydraulic Engineering (CICHE), and the National Science and Technology Center for Disaster Reduction (NCDR).

8ACEE aims to provide an excellent forum to bring together researchers, professionals, engineers, and academics to promote and exchange new ideas and experiences in the fields of earthquake engineering, disaster management, seismic risk reduction, and many other related research fields.

8ACEE has been sponsored by the Ministry of Science and Technology, Taiwan, ROC. Due to the COVID-19 pandemic, **8ACEE is being organized as a hybrid conference comprising "on-site" and "online" events.** The venue for the on-site meeting is the office building of the NCREE. However, depending on the situation of the COVID-19 pandemic, the conference may be eventually held only in the online type.

Conference Theme and Topics

Theme:

Earthquake-Resilient and Sustainable Communities

Topics:

- Engineering seismology
- Geotechnical earthquake engineering
- Seismic design, evaluation and retrofit
- Seismic loss and risk assessment
- Monitoring and early warning
- Advanced method for simulation
- Photogrammetry and visualization
- Lessons learned from post-disaster response and recovery
- Others

Call for Papers

- Prospective authors are invited to submit papers through the conference website.
- The first and only submission will be a 4-page paper manuscript (up to 8 pages).
- All papers must be submitted in the 8ACEE paper template.
- The papers will be reviewed for considering significance, originality and organization of the contents presented.

Important Dates

| Events | Date |
|---|---------------------|
| Open date for registration and paper submission | 25 February, 2022 |
| Deadline for paper submission | 15 July, 2022 |
| Author notification of acceptance | 31 July, 2022 |
| Deadline for revised paper submission | 31 August, 2022 |
| Deadline for registration | 15 September, 2022 |
| Conference | 9-11 November, 2022 |

8th ASIA CONFERENCE ON EARTHQUAKE ENGINEERING

9~11 November, 2022
Taipei, Taiwan

Fees

| Regular | Student |
|----------------------|---------------------|
| TWD 12,600 (USD 450) | TWD 4,200 (USD 150) |

- All fees are charged on a TWD basis. (USD is approximately 28 TWD.)
- Fees will be set equally regardless of attendance type (on-site or online).
- If received in writing on or before September 15, 2022 (Taiwan Time, UTC+08:00), a refund will be provided. The refund is the payment with a deduction of TWD 1,500.
- No refunds will be provided after September 16, 2022.

Venue

National Center for Research on Earthquake Engineering, Taiwan
(No. 200, Sec. 3, Xinhai Rd., Da'an Dist., Taipei City 106219, Taiwan)
