FACULTY POSITION:

Department of Earth Sciences, National Cheng Kung University, Tainan, TAIWAN

One faculty position at the level of assistant professorship or higher is opened for applicants with excellent or great potential to develop their academic accomplishments in the fields of structural geology, mineralogy, petrology, experimental petrology, geology, sedimentology, geochemistry, geophysics and other earth sciences related specialties.

Responsibilities of the positions include teaching the fundamental and graduate courses in the areas of their expertise. Besides teaching, the applicants shall demonstrate the ability of developing the externally funded research programs.

The final decision of the Department should be approved by the University. The expecting working date will be scheduled to begin on February 1, 2023. Successful candidates should submit a cover letter summarizing their experience and plan in teaching and research, curriculum vitae, copy of Ph.D. diploma (or other supporting documents), reprints of critical publications, and three letters of recommendation sent by referrers to the following address no later than September 12, 2022.
