E-mail：wenling@cc.ncu.edu.tw

Faculty Positions in Earth Sciences

Department of Earth Sciences, National Central University

The Department of Earth Sciences at National Central University (NCU) invites applications for several full-time faculty positions at the rank of Assistant Professor or above, including regular and project-based positions.

1. Qualifications

Applicants must hold a doctoral degree from a domestic or overseas institution in an Earth science-related field, such as **Geophysics, Seismology, or Geology**. At least one year of postdoctoral research experience is preferred.

2. Anticipated Start Date

August 1, 2027, subject to completion of the University's review process.

3. Teaching Requirement

New faculty members are required to teach at least two credits in English each academic year.

4. Application Materials

Applicants should submit the following:

- I. A detailed curriculum vitae, including academic and professional experience, a list of publications, areas of expertise, and contact information.
- II. Copies of the doctoral transcript and diploma. Degrees awarded by overseas institutions must be authenticated by the relevant overseas representative office. Applicants who already hold a teaching certificate should also provide a copy.
- III. Three to five significant publications from the past five years, with one designated as the representative publication.
- IV. Teaching and research plans, including a list of courses the applicant can teach.
- V. The names and contact information of three referees.
- VI. Any other materials that may help the committee understand the applicant's background.

5. Application Deadline and Submission

Please email all application materials in electronic form to wenling@cc.ncu.edu.tw by **24:00 on November 29, 2026, Taipei time (UTC+8)**. For large files, applicants may upload the materials to cloud storage and provide a link.

Please use the following email subject line:

Application for Faculty Position, Department of Earth Sciences, NCU - (Rank) - (Name)
